For the attention of Euan Calvert

Dear Mr Calvert,

20/00835/FUL Erection of outbuilding within garden ground. Kings Croft, Jedburgh, Scottish Borders

Scotland's Garden and Landscape Heritage (SGLH) is grateful to be included in the above consultation which may have an impact on the Monteviot designed landscape, included in the Inventory of Gardens and Designed Landscapes in Scotland and therefore assessed by Historic Environment Scotland to be of National significance.

We have studied the documents submitted in support of the application and on the basis of this consider the proposal will have minimal impact on the designed landscape, accordingly we have no comments to make. Please note that this does not in any way signify either our approval or disapproval of the proposal.

SGLH would be grateful to remain included in any, future consultations affecting Monteviot and other Inventory and non-Inventory designed landscapes in Scottish Borders.

Yours sincerely,
