Dear Mr Scott,

Case Ref: 4886371 Logie Estate LTFP

Scotland's Garden and Landscape Heritage is grateful to be included in the above Forestry Plan. We have reviewed the amendment to Compartment 74 figure.

The proposed site is located within the Relugas, Gardens and Designed Landscape Ref. GD00325 included in Historic Environment Scotland's Inventory of Gardens and Designed Landscapes in Scotland and therefore recognised to be of national significance.

The consultation concerns an amendment to an existing felling permission and concerns the felling of mature Fir trees adjacent to the B9007 and the restocking with native broadleaves.

We support the proposals and have no further comment.

Thank you for consulting SGLH about the above proposal.
