Dear Dr Boukelia,

South Region, Lanehead Farm (Amendment to North Kyle Design Plan), submission 2020

Thank you for consulting Scotland's Garden and Landscape Heritage on the above proposal for a modest new planting scheme at Lanehead Farm.

We have undertaken a brief desk-top study of historic designed landscapes of in the surrounding area as follows:

- Those of National significance included in the Inventory of Gardens and Designed Landscapes in Scotland by Historic Environment Scotland.
- Those Regional and Local Significance, as identified on the First and Subsequent Editions of the Ordnance Survey (mid-19th century to the present day), or Roy's Military Survey of circa 1755.

None have been identified in the area and accordingly we have no further comments about the proposal.

Yours sincerely,
