For the attention of Cameron Kirk

Dear Mr Kirk,

### **20/00909/LBC Alterations to existing conservatory: Kirkwell House, Teindhillgreen, Duns, Scottish Borders**

Scotland's Garden and Landscape Heritage (SGLH) is grateful to be included in the above consultation which may have an impact on the Duns Castle designed landscape, included in the Inventory of Gardens and Designed Landscapes in Scotland and therefore assessed by Historic Environment Scotland to be of National significance.

We have studied the documents submitted in support of the application and on the basis of this consider the proposal will have no detrimental impact on the designed landscape, accordingly we have no objections.

SGLH would be grateful to remain included in any, future consultations affecting Duns Castle and other Inventory and non-Inventory designed landscapes in Scottish Borders.

Yours sincerely,

Alison Allighan BSc (Hons), MSc, CSFHS, CMLI
