Scotland's Garden and Landscape Heritage (SGLH) is grateful to be consulted on the above application which affects Rowallan, a designed landscape included in the Inventory of Gardens and Designed Landscapes in Scotland and therefore assessed by Historic Environment Scotland to be of National Significance.

We have studied the documents submitted in support of the application and, with planning permission for housing already granted for this location, we confirm we have no further comments.

We would be grateful to be advised of the outcome of this application in due course and request to remain included in consultations on planning applications affecting Rowallan and other Inventory and non-Inventory designed landscapes in East Ayrshire.
