Dear Sir/Madam,

FPA-10238 Dalavan, Cally

Scotland's Garden and Landscape Heritage is grateful to be included in the above consultation, the site of which lies within the boundary of the Cally designed landscape. Cally is included in the Inventory of Gardens and Designed Landscapes in Scotland and therefore assessed by Historic Environment Scotland to be of National significance.

We note that this block of planting was established in 1995 in an area of the Cally parkland known as Bush Park and is not therefore part of the historic structure of the landscape. On this basis we have no objections to the proposed thinning operations and have no further comments to add.

Yours sincerely,

Alison Allighan BSc (Hons), MSc, CSFHS, CMLI
