Dear Sir/Madam,

### **22/0174/PPP Erection of new dwelling house: Plot 5, Rowallan Castle, Kilmarnock KA3 2LP**

Scotland's Garden and Landscape Heritage (SGLH) is grateful to be consulted on the above application which affects the Rowallan designed landscape, included in the Inventory of Gardens and Designed Landscapes in Scotland and therefore assessed by Historic Environment Scotland to be of National Significance.

We have studied the documents submitted in support of the application and note the proposed design of the above dwelling reflects both the style of the housing cluster established to the south of the fairway and that of the houses granted planning permission on adjacent plots within this cluster.

We confirm we have no objections to the application nor further comments to add.

We would be grateful to be advised of the outcome of the application in due course and request to remain included in consultations on planning applications affecting Rowallan and other Inventory and non-Inventory designed landscapes in East Ayrshire.

Yours sincerely,
