Dear Sir/Madam,

### **Long Term Forest Plan Amendment Culzean LTFP**

Thank you for consulting Scotland's Garden and Landscape Heritage on the above Long Term Forest Plan Amendment which includes areas within Culzean designed landscape. Culzean is included in the Inventory of Gardens and Designed Landscapes in Scotland and is therefore assessed by Historic Environment Scotland as being of National Significance.

We note that the amendments to felling and thinning affect compartments within the Inventory boundary, north of the A719 in the north-east of the designed landscape and have no further comments to add.

Yours faithfully,

Alison Allighan BSc (Hons), MSc, CSFHS, CMLI
