Dear Mr Browning,

Murthly Castle Murthly & Strathbraan LTFP Amendment

Thank you for consulting Scotland's Garden and Landscape Heritage on the above LTFP Amendment which lies within the boundary of the Murthly Castle designed landscape. Murthly Castle is included in the Inventory of Gardens and Designed Landscapes in Scotland by Historic Environment Scotland and is therefore assessed as having National Significance.

We have looked at the justification for the proposed amendments and are satisfied that they will not have any major detrimental impact on the designed landscape. We therefore have no further comments about this application

Yours sincerely,
